

SAA to sponsor 2017 AMBER Alert

When a Child Goes Missing - Every Minute Counts in Their Safe Recovery!

Southbury Ambulance Association will sponsor and host the 9th annual Danbury Rotary AMBER Alert Child ID Session at the Southbury Ambulance Association, 68 Georges Hill Road, Southbury, CT on Saturday, April 1, 2017 between 10 am and 2 pm.

Southbury Ambulance has partnered with several organizations for this event: Southbury Fire Dept., Southbury Police Dept., and Dr. Kest's dental office. Some activities will include an ambulance vehicle tour, fire vehicle tour, face painting, and door prizes.

The Danbury Rotary Club has teamed-up with other Rotary Clubs all across Connecticut and the Connecticut State Police AMBER Alert Center at the Department of Public Safety. The Rotary AMBER Alert Child ID Program brings the latest technology to the Amber Alert System. With this new system the child's colored digital picture is imbedded on a wallet sized plastic card, along with minimal yet essential information, needed to find a child in the event the child goes missing. In addition to the card, strongly encrypted computer data, not connected to the Internet or any other system, and may be accessed by the state police, when a child goes missing.

For more information on this event or on Southbury Ambulance Association, check out our website at www.southburyambulance.org.

For other Rotary AMBER Alert Kids ID Sessions in your area you may visit www.danburyrotary.org. For businesses or organizations interested in further information regarding the scheduling of a Rotary AMBER Alert Child ID Session call Bob Vetter at 203-748-1105.

We are looking forward to seeing you at this year's Amber Alert event
